ATTENDANCE HOTLINE: 467-5410 NOVEMBER 2015

Hello Jaguar Families,

Even though the weather keeps changing on us and the leaves are falling outside, our focus on academics and our students well-being here at Beasley are staying constant. The teachers and students have gotten into their routines and procedures for class lessons and homework. Please continue to check your child's planner/folder for homework and any other information from the classroom. We appreciate all your support and time to reinforce the needed math and reading skills discussed at parent teacher conferences. The end of term 2 is November 6 and term 2 report cards will be sent home on November 23.

Just a reminder, please call the school attendance line at 314-467-5410 when you are keeping your child home for any illness or other reasons. We need to be accountable for every absence. It is helpful when you call, then we do not have to keep trying to call you to find out the reason. The Missouri Department of Elementary and Secondary Education expects high daily attendance and accountability to student learning. The Missouri School Improvement Program (MSIP) 5 Performance Standard 4 specifies goals for student attendance. The expectation is that 90% of the students are in attendance 90% of the time. Remember arriving late or leaving early does affect your child's attendance.

I want to express our thanks to all of you who supported Prop R. Mehlville School District is a special place but we cannot have a successful school district without the community's support. During this month of thanks and remembrance, I am grateful for the opportunity to work with such a caring Beasley community and I wish you and your family a very happy and healthy Thanksgiving break!

The Seventh Annual Beasley Walk-A-Thon

Our annual Walk-A-Thon was held October 2nd and was a huge success! The weather was beautiful and students and staff enjoyed the 20 minute walk. All funds raised go directly to Beasley for technology upgrades and other necessities throughout the school. Thanks you to all who participated in the fundraiser!

Students who had donations over a certain dollar amount were entered into a drawing for 2 gift cards. The winners of the gift cards were Derek Reiter, 2nd grade, Mrs. Dressel's class and Kaden Ford- Jones, 1st grade, Mrs. Berhorst's class. The top earning class was Mrs. Berhorst 1st grade class. They won a Pizza Party. We also wanted to recognize the top 6 students who raised money; Oliver Holman, Kadin Ford- Jones, Sofia Machado-Cunha, Aidan Cash, Cade Holman, and Sienna McGilvery. They will have a Pizza Party with Mrs. Deane.

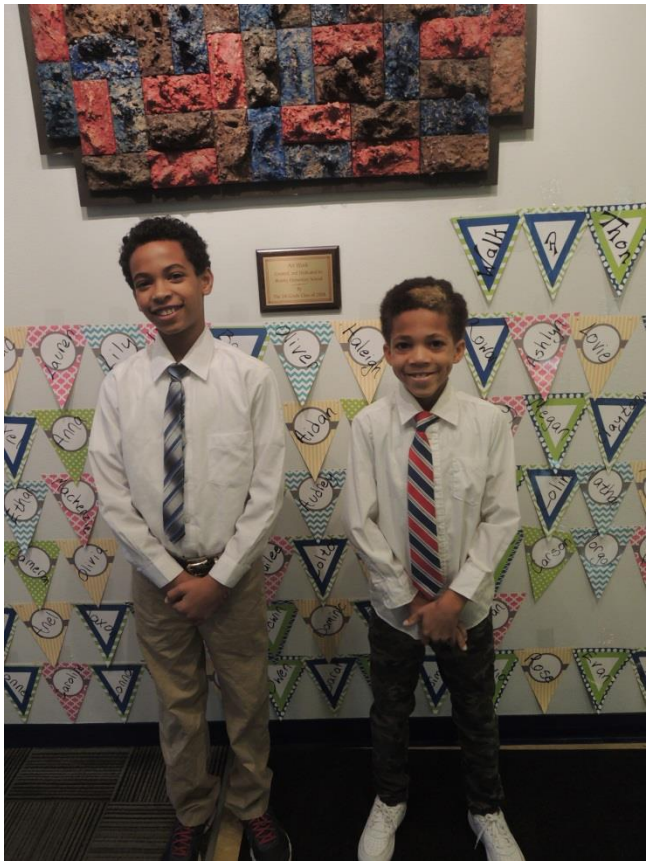
Can Food Drive

A special thank you to everyone who participated in the can food drive October 19th through October 23rd. Students donated a total of 1,200 items for our **"Hunger Stops Here Program".** The grade level with the most food donated received an extra recess, which was 4th grade, with 425 items. Since we collected over 1,000 items the whole school had a dance party. Thank you also to the Jr. Counselor's who worked hard all week collecting and counting.

Red Ribbon Week

Student's participated in Red Ribbon week, Oct. 26-Oct. 30th. Students wore special items all week to help celebrate the importance of being drug free. Below are 2 students who are wearing ties for "Tie" your best and Stomp Out Drugs. Jr. Counselors also sponsored a drug free pencil sale and all proceeds go to our Hunger Stops Here program.



Media Club

Beasley 5th graders have the opportunity to be a part of the Media Club. We are a project based club which focuses on things that are going on at school. Here are some of the things you should be looking for in the future:

- The Jaguar Gazette, a newspaper written by the students that focuses on all things Beasley
- Yearbook Order forms
- A "drop box" site where parents can upload pictures to possibly be included in the yearbook.

Box Tops Contest

Way to go, awesome Beasley students! Our Batty for Box Tops contest ended with Mrs. Dressel's class bringing in almost 1,000 box tops and Labels for Education, just barely beating Mrs. Weber's class! Since the beginning of this school year, Beasley students brought in close to 7,000 box tops and labels worth close to $700. We had a balance from last year of about $255, so Beasley will be getting over $900 in December. We will be starting a new classroom contest in November 4, 2015 so keep bringing box tops and labels in with your name and your teacher's name on it. We had close to 200 sent in with no name. Great job to all!

Roll Out of Bed for Books

Students and their families experienced donuts and muffins for breakfast at school on October 20th. After eating everyone was invited to shop at the book fair and then read in the gym. It was so fun to see the kids cozied up and reading with a family member.

BOOK FAIR

A special thank you to all of the parent volunteers who made our book fair so successful. Students were able to browse and shop for many wonderful books. Beasley made a profit of approximately $2000.00 this fall.

SPECIAL PERSON DAY

Grandparents, parents, aunts, uncles and special family friends were invited to Beasley. Students completed a fun activity with their special person and then had the opportunity to shop at our book fair and eat lunch at school. Thank you to everyone who attended.

Drama Club

Drama Club had their try-outs last month and assigned roles for our upcoming production. We will be performing the play "The Wizard of Oz" in March. All members will be practicing each month to prepare for the big performance. More details to come!

News from PE

The Mehlville School District uses the Fitnessgram to assess student current fitness level for students in 3rd, 4th and 5th grade. We complete fitness testing once in the fall and once in the spring. Using the Fitnessgram assessment we can identify student's strengths and weaknesses and work on setting realistic, attainable fitness goals. For a student to be considered in the HFZ, Healthy Fitness Zone, they need to be in the range or exceed it for national norms. Students are rated on their level in each element. Curl Ups test abdominal strength and endurance, Push ups test upper body strength and endurance, the Pacer, mile and 440 test aerobic endurance, and the sit and reach tests flexibility. The following is the rubric on how your child's fitness assessment scores will be reflected on the report card.

4th and 5th grade

3 = Student performed in the HFZ, Healthy Fitness Zone, 4-5 of the test elements.

2= Student performed in the HFZ, Healthy Fitness Zone, 2-3 of the test elements

1= Student performed in the HFZ, Healthy Fitness Zone, 0-1 of the test elements.

3rd grade

3 = Student performed in the HFZ, Healthy Fitness Zone, 3-4 of the test elements.

2= Student performed in the HFZ, Healthy Fitness Zone, 1-2 of the test elements

1= Student performed in the HFZ, Healthy Fitness Zone, 0 of the test elements.

Kids this age need physical activity to build strength, coordination, and confidence — and to lay the groundwork for a healthy lifestyle. They're also gaining more control over how active they are.

School-age kids should have many chances to participate in a variety of activities, sports, and games that fit for their personality, ability, age, and interests. Brainstorm with your kids on activities that feel right. Most kids won't mind a daily dose of fitness as long as it's fun.

Physical activity guidelines for school-age kids recommend that each day they:

- get 1 hour or more of moderate and vigorous physical activity on most or all days
- participate in several bouts of physical activity of 15 minutes or more each day
- avoid periods of inactivity of 2 hours or more unless sleeping

Fitness at Home

Many parents and kids think of organized sports when they think of fitness. Though there are many advantages to signing a child up for the softball team, practice and games once or twice a week will not be enough to reach activity goals. Also, parents can no longer rely on physical education in schools to provide enough physical activity for kids.

Here are some ways to keep your kids moving at home:

- Make physical activity part of the daily routine. From household chores to an after-dinner walk, keep your family active every day.

- Allow enough time for free play. Kids can burn more calories and have more fun when left to their own devices. Playing tag, riding bikes around the neighborhood, and building snowmen are fun and healthy.

- Keep a variety of games and sports equipment on hand. It doesn't have to be expensive — an assortment of balls, hula-hoops, and jump ropes can keep kids busy for hours.

- Be active together. It'll get you moving, and kids love to play with their parents.

- Limit time spent in sedentary activities, such as watching TV, being online, and playing video games and games apps.

If you run out of possibilities at home, take advantage of local playgrounds and athletic fields. Make family fitness outings part of your regular routine. Let family members choose an activity — go hiking, ice skating, or try out the rock-climbing gym. Anything goes, as long as everyone can participate.

And remember: You'll help show your kids that exercise is important by regularly exercising yourself.

Fitness for Kids

Through physical activities, kids learn about sportsmanship, setting goals, meeting challenges, teamwork, and the value of practice.

Keep in mind your child's age and developmental level, natural abilities, and interests. Kids 6 to 8 years old are sharpening basic physical skills like jumping, throwing, kicking, and catching. Some enjoy doing this in organized sports teams, but non-competitive leagues are best for younger kids. Show your support by coaching your child's team or cheering from the stands on game days.

Kids 9 to 12 years old are refining, improving, and coordinating skills. Some become even more committed to a sport while others drop out as competition heats up and level of play improves.

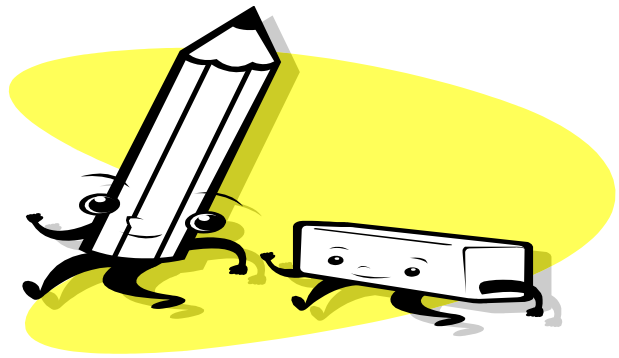
It's OK if a child isn't interested in traditional sports, but it's important to find alternative ways to be active. Encourage a child who doesn't like soccer, basketball, or other team sports to explore other active options, like karate, fencing, golf, bicycling, skateboarding, and tennis.

Preventing Problems

Kids who participate in sports are at risk for injuries, so be sure yours wear the proper protective equipment, such as a helmet and protective pads when roller-blading. Kids who specialize in one sport are also at risk of overuse injuries, including stress fractures and joint injuries.

A child with a chronic health condition or disability should not be excluded from fitness activities. Some activities may need to be changed or adapted, and some may be too risky depending on the condition. Talk to your doctor about which activities are safe for your child.

Kids who enjoy sports and exercise tend to stay active throughout their lives. And staying fit can improve self-esteem, prevent obesity, and decrease the risk of serious illnesses such as high blood pressure, diabetes, and heart disease later in life. If your child refuses to play or interact with peers, or complains of pain during activity, talk with your doctor.



Beasley School Store

Beasley has a school store that is open every Wednesday morning. There are school supply items to purchase. The prices range from 10 cents to $2.00.

Examples of some of items are erasers, smelly pencils, pencil grippers, note pads, scissors, rulers, paper, crayons, glue and glue sticks, etc.

You may send in money with your child on Wednesdays to purchase items at the school store. Please make sure the money is marked for the school store. All of the proceeds benefit Beasley.

PLEASE CALL TO REPORT YOUR CHILD'S ABSENCE. MESSAGES MAY BE LEFT 24 HOURS A DAY.

ONE OF THE MOST IMPORTANT FACTORS IN YOUR CHILD'S SUCCESS IN SCHOOL IS REGULAR ATTENDANCE. WE ASK THAT YOU PLEASE SCHEDULE APPOINTMENTS OUTSIDE OF THE SCHOOL DAY IF AT ALL POSSIBLE. IF IT IS NECESSARY TO TAKE YOUR CHILD OUT OF SCHOOL, PLEASE SEND A NOTE IN THE MORNING AND COME INTO THE OFFICE TO SIGN HIM OR HER OUT. ALSO, IF A CHILD IS ARRIVING TO SCHOOL LATE IN THE MORNING, THE PARENT MUST COME INTO THE OFFICE TO SIGN THEM IN.

IF YOUR CHILD IS ILL AND WILL NOT BE COMING TO SCHOOL, PLEASE CALL THE ATTENDANCE HOTLINE ASAP! YOUR CHILD'S SAFETY AND ACADEMIC SUCCESS IS OUR TOP PRIORITY!!!

INCLEMENT WEATHER

SCHOOL CLOSINGS

When severe weather necessitates the closing of school, the Superintendent strives to make the decision by 5:30A.M. School closings will be broadcast through the School Messenger phone system, on the district website (www.mehlvilleschooldistrict.com) and on most major radio and television stations. If school is closed, all other school-related activities are canceled for that day.

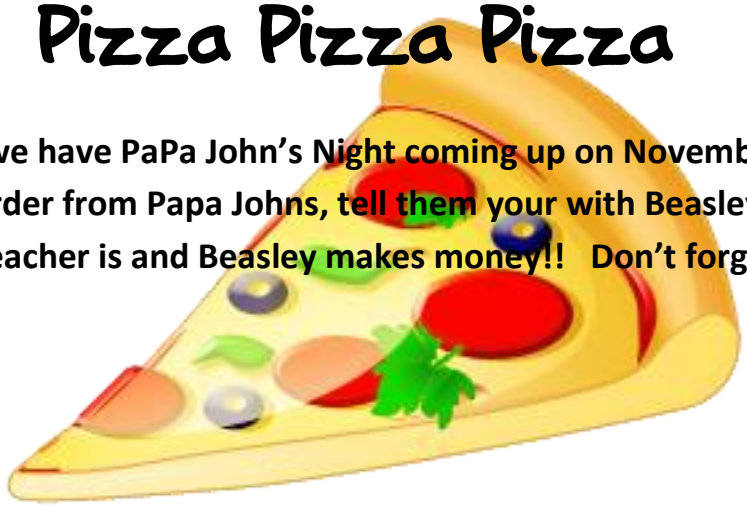
Please be sure Beasley's office has your correct phone numbers

FEW REMINDERS …

If you receive a call from the school, please listen to the message before calling the school.
If your child changes their normal routine of how they are going home, please write a note to the teacher.
If your child is late for school, please come into the office with your child and sign them in.

Pizza Pizza Pizza

Just a reminder we have PaPa John's Night coming up on November 5th . All you have to do is order from Papa Johns, tell them your with Beasley Elementary and who your teacher is and Beasley makes money!! Don't forget…..PIZZA!!!!



Music Notes:

Please mark your calendar for the Winter Choir Concert on Monday, December 7th at 6:30. We'll be at the Nottelmann Auditorium at Mehlville High School.

Thank you to the PTO and Jazz St. Louis for making our 5th grade jazz concert field trip possible last month. The students enjoyed a wonderful performance while continuing their learning about the blues.

The older grades have been working on recorders during music class. Thank you to everyone that made sure your child is prepared for music class by purchasing or renting a recorder. I still have a few for rent, so if your child still needs one, please let me know. All 3rd - 5th graders need a recorder instrument for music.

Thank you and Happy Thanksgiving,
Mr. McClusky

Character Focus for October: RESPONSIBILITY

What is PBIS?

PBIS is a positive behavior support system designed to help students grow academically, socially and emotionally.

How do we encourage positive behavior?

- Beasley High Five
- Beasley's Best
- High fives from Home

The Beasley Way :

- Be Respectful
- Be Responsible
- Be Cooperative
- Be Kind
- Be Safe

Pawsitively Positive!

Last month we filled our school wide high five board. To celebrate our positive behavior, the whole school took a character walk around the school.

High Fives from Home

First Grade is in the lead with **86** high fives from home!
Kindergarten: **38**
2nd Grade: **15**
3rd Grade: **25**
4th Grade: **6**
5th Grade**: 12**
CARRY OVER IS KEY! Don't forget to continue to recognize your child at home!

WHAT'S COMING UP THIS MONTH

Character

Our character word for the month of November is **courage**.

Ways to show **COURAGE**:

- Doing right thing even when no one else is.
- Tell the truth even if it is hard
- Try new things

Focus

- Following directions in the classroom
- KHFOOTY (Keep your hands feet and other objects to yourself)

Those were the two areas of most concern for the month of October.

Home Connection

- Encourage following directions the first time at home.
- Ask your child the questions below and return their answers back to school.

Students Name_____ Teacher_____

1. What can you do to receive a high five at school?

BOXTOPS/LABELS FOR EDUCATION
BEASLEY NOVEMBER
CLASSROOM CHALLENGE

Help Beasley "Gobble Up" the Dough by Collecting Box Tops!

WAY TO GO!

WHAT AWESOME STUDENTS/FAMILIES BEASLEY HAS!!!

Our "Batty for Box Tops" contest was a GREAT success! Mrs. Dressel's class brought in close to 1,000 box tops/labels, just barely beating Mrs. Weber's class! Since the beginning of the school year, students brought in close to 8,000 box tops worth about $800. Adding that to last year's balance, Beasley will be getting approximately $1,100 in December!!

For November, every 25 box tops or labels for education a student turns in by November 30th, your classroom will get a feather added to your classroom's turkey! The classroom with the most feathers will be recognized and rewarded with a PJ Day, Hat Day, or whatever at the teacher's discretion.

Unfortunately at least $20 or so was submitted with no names or with EXPIRED dates!!

PLEASE send your box tops/labels in envelopes, baggies, etc., with the child's and teacher's names on it so it can be counted for that classroom. And keep sending them in throughout the year! We only collected about $1,700 for last school year's total! So we can get more than that if they keep coming in!

Let's see if we can keep bringing in top dollars for Beasley!!!

Feel free to contact me with any questions (townsend.jan@gmail.com).

JUVENILE DIABETES RESEARCH FOUNDATION

WALK TO CURE DIABETES

Beasley Elementary will participate in a

during PE Classes.

We will be watching an educational video

on diabetes and then walking.

If you bring $1 for JDRF we will give you a healthy snack to enjoy during the event.

(only one snack per student)

If you bring in a donation you will also put your name on a "JDRF supporter" shoe which will hang in the commons.

Money is due by November 13th

Help us raise money for the Juvenile Diabetes Research Foundation.

Mehlville School District
Individually Focused. Committed to All.

The Mehlville School District will register kindergarten students for the 2016/2017 school year from January 25-January 29. The registration will occur at the individual schools. Children born before August 1, 2011 may register for kindergarten (no exceptions).

Parents and/or legal guardians will need to call the school your child will be attending to register. Appointment times will be available during the regular school hours and also for the evening of Thursday, January 28 from 4:00 to 7:00 p.m.

Please call your home school to schedule an appointment:

School	Hours in Session	Phone #
Beasley Elementary	8:00-2:50 PM	467-5400
Bierbaum Elementary	8:45-3:35 PM	467-5500
Blades Elementary	8:00-2:50 PM	467-7300
Forder Elementary	8:45-3:35 PM	467-5600
Hagemann Elementary	8:45-3:35 PM	467-5700
Oakville Elementary	8:45-3:35 PM	467-5800
Point Elementary	8:45-3:35 PM	467-5900
Rogers Elementary	8:45-3:35 PM	467-6300
Trautwein Elementary	8:45-3:35 PM	467-6400
Wohlwend Elementary	8:45-3:35 PM	467-6500

IMPORTANT:

Please bring the following documents at the time of registration:

1. Child's birth certificate issued by the Bureau of Vital Statistics
2. Medically documented immunization records
3. Proof of parent/guardian's residency. Must have **ONE** item from **EACH** column:

List A	List B
Mortgage Statement	Unpaid Utility Bill
Real Estate Tax Bill	Verification of Service from a Utility Provider
Homeowner's Policy	Personal Property Tax Invoice
Residential Lease – Signed by both parties (enrolling student name required on lease if minors are allowed on lease agreement)	Welfare, Social Security, or other Legal or Court Documents
Rental Agreement – Signed by both parties (enrolling student name required on lease if minors are allowed on rental agreement)	Municipal Occupancy Permit
Rent Receipts (if printed name of Apt./Condo complex is on the receipt, otherwise not valid)	Driver's License
Landlord Verification *(written on letterhead)*	Pay Stub or Bank Statement *(with current name and address)*

Note: If parent/guardian is living with a Mehlville resident, a notarized Building Affidavit of Proof of Residency must be filled out by the parent/guardian AND the Mehlville resident. The affidavit is located at the school and must be notarized by the school secretary. Proof of residency is required for the Mehlville resident. If parent/guardian is not living with the child and the child will be living with a Mehlville School District resident, a meeting with Dr. Jeff Bresler, Assistant Superintendent – Supervision of Schools is required to discuss residency. Please call 467-5229 to arrange a time when you can meet with him. Please bring proof of residency to your meeting.

4. Custody papers (court appointed documents, divorce decree, DFS placement papers, foster care) which states custody rights.
5. IEP and evaluation, if the student is receiving Special Education Services.

In addition, parents and/or legal guardians will be asked to provide the name, address and phone numbers of the child's doctor, along with the phone numbers of parent and/or legal guardian's employers and two emergency contact names and phone numbers. **Until all of the above material is received, your child cannot be enrolled in the Mehlville School District.**

Registration packets can be picked up at all Mehlville Elementary Schools at the beginning of December, or some forms can also be downloaded from our website beginning in November at www.mehlvilleschooldistrict.com.

All kindergarten students entering Mehlville School District must provide a record of physical examination to their attendance school prior to August 1, 2016.

To better serve the families of the Mehlville School District, it is important that all parents and/or legal guardians register their child during this time period. By doing so, the District can properly plan for student assignment and transportation needs.

NURSE'S NOTE

Hearing screening was conducted on November 4th for all K, 1, 3, and 5th graders, as well as some 2nd and 4th graders. If your child had any difficulty with the screening you will receive a letter recommending follow up. Please contact me if you have any questions.

If you received a letter recommending further **vision** screening, please make an appointment with an Eye Doctor. There are a number of resources out there to provide this exam at little to no cost to you. If you need assistance, please contact me.
With the recent increase in students vomiting while at school it seems a good time to remind you of a few of our guidelines. These are not the only ones but are certainly the most appropriate at this time:

- **A Temperature over 100 degrees Fahrenheit – All children must be fever free for 24 hours and without fever reducing medication prior to returning to school.**

- **Vomiting and/or Diarrhea – Keep your child home for 24 hours after the last vomiting or diarrhea episode.**

- **A Cold with or without fever, sneezing, or with thickened nasal drainage. Younger children frequently forget to cover their mouths when coughing and the need to wash their hands.**

- **A Cough that keeps a child awake at night, worsens with increased activity or is combined with other symptoms.**

- **A rash may be the first sign of a childhood illness. Any rash that is all over the body, blistery, oozing or painful could be the first signs of a contagious illness. A student needs to be seen by a physician and a physician's note is required before returning to school.**

Friendly reminders:

If your child has borrowed clothing from the Health Room, please launder it and return these items to us as soon as possible.

Please make sure your contact information is kept up to date with the Health Room. When your child is ill, they must be picked up in a timely manner. It is also important to have emergency contacts that can and will drive to Beasley to pick up your child in the event we can't reach you. We will always try to reach you first.

Happy Thanksgiving to all,
